

Resource Kit for Professionals

The image displays the OurFamilyWizard app interface, which is designed for professionals managing family-related tasks. The app is shown in a dark-themed layout with several key sections:

- Calendar:** A monthly calendar view with days of the week (M, T, W, T, F, S, S) and dates. It includes a "List" tab and a "Month" tab. A circular inset shows a family of four (two children and two adults) running in a park.
- Expense Log:** A section for tracking expenses, featuring a search bar and a list of transactions. Transactions include "Filling for Nina" (Purchased: 30/05/2023, Total: £200.00), "Piano Lessons" (Purchased: 28/05/2023, Total: £250.00), and "Pool Supplies" (Purchased: 20/05/2023, Total: £224.00). A circular inset shows a man and a woman shaking hands over a table.
- Event Details:** A section for viewing event details, including "First Day of School" (8:00 AM - 3:30 PM) and "Swimming Lessons" (4:00 PM - 6:00 PM).
- Location Tracking:** A map view showing the location of "Clapham Leisure Centre" (141 Clapham Manor St, London SW4 6BX, UK).
- Payment Status:** A section for tracking payments, including "Taylor owes £112.00" and a "Paid" status.
- Notification:** A notification at the bottom left states "OurFamilyWizard Amy Sand sent you a message."

SUBJECT: Handovers

Handovers have been an absolute mess recently. You're making us constantly late to events we have the same day as our handovers.

Why are you so bad at being on time?

FEATURES

OurFamilyWizard Features & Tools *for Parents*

Co-parenting is complex, but it doesn't need to be chaotic. OurFamilyWizard's tools help co-parents stay organised, communicate effectively, and prevent conflict.

Each tool in the app has a built-in framework for concrete documentation. From first-viewed timestamps to on action notifications, OurFamilyWizard provides peace of mind for families and absolute clarity for family law professionals.

MAIN TOOLS FOR CO-PARENTS

Messaging

Documented communication that cannot be edited or deleted.

Calendar

A shared parenting time schedule that includes events, holidays, and schedule change requests.

Expenses

Expense recording—categorised requests, reimbursements, & receipt files.

Info Bank

Organised sections for medical info, school files, clothing sizes, & more.

Journal Moments

Photos, memories, and notes. Easily shared or kept private.

GPS Check-Ins

Verified arrivals at handovers and other locations.

Calls

Documented audio and video calls for indirect contact and staying connected when apart.

ToneMeter

A tool for identifying language that could escalate conflict, to encourage productive communication.

PRO ACCESS

Professional Accounts for *Family Law Professionals*

By consolidating co-parents' communication and coordination, OurFamilyWizard gives family law professionals a simpler and more reliable way to assist their clients. Here's what the platform offers to legal and mental health professionals, solicitors, social workers, mediators and divorce coaches.

Quickly generate documentation when you need it

You can generate clear, court-admissible reports for any actions in the app. When logged in to your Professional Account from a computer, you can filter by date range, topic, category, and more before downloading a tidy, organised PDF.
